The Nunavut Bureau of Statistics is looking for Community Survey Interviewers to work on the Nunavut Housing Needs Survey. The survey will be delivered to all households in Nunavut and will provide a better understanding of the housing situation of Nunavummiut.

Duties include the following: interviewing members of households in person; maintaining accurate records of survey operations; and working with Senior Survey Interviewers to ensure the timely completion of the project.

We are looking for Nunavut residents who:

- Are available full-time and have the flexibility to work days, evenings, and weekends;
- Are experienced at working with people;
- Are capable of quickly learning how to complete a questionnaire;
- Are comfortable with entering people's homes and asking them questions;
- Can read, speak and write in one of the four official languages;
- Are knowledgeable about their community and about the Inuit language and culture.
