

# Government of Nunavut Employment Opportunity

## -Amendment-

Conservation Officer II  
Department of Environment  
Cambridge Bay, NU

Reporting to the Conservation Officer III, you will initiate, administer and deliver approved programs, projects and services pertaining to wildlife management, which includes supporting departmental wildlife research by providing logistic assistance and advice on methodology in relation to local knowledge and assist in communicating research results, environmental protection and the development of the mixed/traditional economy in assigned area of Nunavut in accordance with all Acts, Regulations and the Nunavut Land Claims Agreement.

You will work closely with the resource harvesting community and provide leadership to successfully implement departmental goals and objectives in the face of divergent views on resource management and enforcement. You will also work closely with the Hunters & Trappers Organization (HTOs) and local harvesters in supporting sound wildlife management and conservation practices while supporting mixed/traditional economy user lifestyle. This requires enforcing relevant Act, conducting public and harvester education and training so there is a wide understanding and support for effective wildlife management.

You should have graduated from an accredited two-year resource technical institute, 2 years experience or education in enforcement, licensing, inspection techniques and 2 years experience in wilderness travel and the following knowledge, skills & abilities:

Knowledge of:

- Computer software including communications (e-mail), word-processing, financial spreadsheets and data bases

Skills:

- Community development skills in facilitating renewable resource development, and park operation and maintenance

Ability to:

- Access resources and problem solve with respect to sustainable resources, funding resource development and identifying tourism safety training needs

It is also required you have a valid driver's license, hold a valid Firearms Possession and Acquisition License (PAL) and supply a clear criminal records check.

Knowledge of Inuit language, communities, culture, land and Inuit Qaujimajatuqangit is an asset.

Equivalencies that consist of a combination of education, knowledge, skills and abilities to formal education and experience requirements will be considered.

This position is included in the Nunavut Employees Union and has a starting salary of \$ 74,568.00 per annum, plus a Northern Allowance of \$ 19,716.00
