Previous Release:	*na*	*Purpose:*	*Information*

Nunavut harmonizes insurance classes with Canada's national insurance regulators

Section 6 (2) of the Nunavut *Insurance Act* empowers the Superintendent of Insurance to "determine the class or classes of insurance" offered in the territory, as well as the registration requirements that go alongside.

The Office of the Superintendent of Insurance (OSINU) has harmonized Nunavut's insurance classes with those established by the Canadian Council of Insurance Regulators (CCIR) and the Office of the Superintendent of Financial Institutions (OSFI).

Harmonization does not affect existing classes of insurance, as these area already in alignment with national standards. It does, however, result in the offering of two new insurance categories: **credit protection** and **legal expense**.

With harmonization, Nunavut now offers the following classes of insurance:

- Accident & sickness
- Aircraft
- Automobile
- Boiler & machinery
- Credit
- Credit Protection
- Fidelity
- Hail
- Legal Expense
- Liability
- Life
- Marine
- Mortgage
- Property
- Surety
- Title

OSINU would also like to clarify that the 'Other' category of insurance includes the following:

- Fire
- Property damage
- Guarantee
- Plate glass
- Inland transportation
- Workmen compensation
- Theft
- Sprinkler leakage
- Public liability
- Endowment
- Livestock
- Other approved products
- Weather
- Home warranty
- Product warranty
- Vehicle warranty
- Equipment warranty
- Crop
- Home completion
- Deposit protection
- Endowment
- Livestock

Insurers interested in offering an such products may apply to OSINU for the Superintendent's approval. This application will be made through the normal licensing practice.
