Kindergarten preschool health assessment

Start Date: April 28, 2014 End Date: May 30, 2014

Arviat, NU 30 sec

Is your child starting kindergarten in Arviat in August 2014? If so, please drop in or call the health centre to book your child's appointment for a preschool health assessment and immunizations.

Appointments are available throughout the month of May, starting on the 5th.

A screening appointment includes hearing, vision and developmental screening, along with immunizations and tuberculosis testing.

Pre-kindergarten health assessment is not the same as registering a student to attend school. Please call your school directly for student registration dates.

Call the Arviat Health Centre's at 867-857-3100 for more information or to book an appointment.

This message has been brought to you by the Government of Nunavut.
