Sylvia Grinnell road upgrades

Start Date: August 18, 2016 End Date: August 30, 2016

Iqaluit, NU 30 sec

Nunavut Parks and Special Places is repairing the section of the road at the back of Sylvia Grinnell Park.

This work is needed to repair damage caused by heavy rain, and should be completed on August 30.

Heavy equipment will be used to remove sections of the main road, making it unusable at times. Nunavut Parks will try to keep road closures to a minimum, but park users should obey the posted road signage at all times.

For more information about access to tenting areas during this period, please contact Nunavut Parks operations at 867-975-2350.
