## Fuel price increase effective April 1, 2022

**Start Date: April 1, 2022**
**End Date: April 7, 2022**
**Nunavut-wide** **30 sec**

Effective April 1, 2022, rates for the Federally Imposed Carbon Tax will be increased on fuel products sold throughout Nunavut. The relevant rate changes are:

| Federal Carbon Tax Rates (per litre) | | | |
|---|---|---|---|
| **Fuel Type** | **Current** | **Increase** | **Effective April 1, 2022** |
| Gasoline | $0.0884 | $0.0221 | $0.1105 |
| Diesel | $0.1073 | $0.0268 | $0.1341 |
| Naphtha | $0.0902 | $0.0225 | $0.1127 |

The Nunavut Carbon Rebate, a Government of Nunavut initiative, offsets the Federal Carbon Tax by 50% and reduces the amount Nunavummiut pay for fuel. The revised price listing is attached.

*Aviation fuels and diesel for generating electricity are exempt from the Carbon Tax.
