Overflow parking now available at Rankin Inlet Airport

Start Date: November 2, 2022 End Date: November 30, 2022 Rankin Inlet, Nunavut

30 sec

The Department of Economic Development and Transportation (EDT) is advising residents and travellers to or from Rankin Inlet that overflow parking is now available at the airport, and that traffic is no longer limited to drop-off and pick-up.

All travellers departing from or arriving at the airport are asked to follow signage to the overflow parking area.

The Department of EDT thanks the public for their patience and co-operation during this expansion project.
