PROTECT YOUR PROPERTY

- Do not leave food in your cabin.
- Clean cooking and eating areas thoroughly.
- Keep garbage inaccessible to wildlife, control its odour, and dispose of it in community landfills.
- Ensure cabin is solid and secure: reinforce weak doors and walls.
- Store equipment and petroleum products in sheds or crates.
- Learn more about minimizing wildlife conflicts. Visit the Wildlife Office.

REMEMBER! Bears that associate humans and human structures with food become a problem for everyone!
