## Premier Savikataaq meets with Prime Minister Trudeau

November 28, 2019  
Ottawa, ON

---

Premier Joe Savikataaq today released the following statement:

“Today I met with Prime Minister Justin Trudeau, to discuss Nunavut’s urgent needs and priorities.

I re-iterated our territory’s infrastructure deficits, particularly around housing. We spoke at length about healthcare delivery and opportunities for Nunavummiut. I also took the occasion to speak to Nunavut’s resource development potential, and the need to balance conservation efforts with sustainable, responsible development.

I thank the Prime Minister for his openness and look forward to making significant progress together to benefit Nunavummiut.”
