INFORMATION

About

The Nunavut Liquor and Cannabis Commission (NULC) requires all customers to create a Customer Account before purchasing alcohol. Use this form to apply for a Customer Account, or to update your existing account information.

If you have any questions about this form or how to fill it out, contact the NULC.

Personal Information

Please print clearly with dark pen, or fill out the form electronically.

Fill in the information fields completely and accurately. Fields with an asterix * are required.

Mark whether you want to create a new account or update an existing account with an 'X'

For your date of birth, use the format "yyyy-mm-dd". E.g. If your birthday is September 30, 1982, you would write "1982-09-30"

Photo ID

You must show valid government-issued photo identification, which includes your birth date.

Examples of acceptable ID include a driver's licence, a passport, or a Nunavut General ID Card.

ID must be current (not expired), and copies must be clearly visible (e.g. the NULC will not accept poor photocopies or smudged faxes).

You can either wait to have an NULC representative verify the ID in person, or you can attach a copy with your application.

You will still need to show ID every time you purchase alcohol.

Declaration

Read the declaration carefully. It provides information about how the NULC and GN may use the information in your customer

By signing the declaration, you are saying you understand and agree with it.

If you find the print too small, NULC staff can provide an easier-to-read copy.

If you would like to read or make this declaration in another official language, we will provide it.

Submission

Print, sign and date the form when you are ready.

Once you have signed the form, send it to the NULC:

Drop it off in person at the NULC locations in Rankin Inlet or Igaluit
