Community Consultation to open a Cannabis Store in Iqaluit

Start date: June 22, 2020 End date: August 20, 2020

The Office of the Superintendent of Licensing received an application to open a Enclosed Cannabis Store in Iqaluit from Nuna Cannabis Store Inc. Under the *Cannabis Act (Nunavut)*, we must consult your community.

An Enclosed Cannabis Store is a place where cannabis is sold that is not accessible by the general public as walls and a door serve as a barrier to guard against access from minors; only adults over the age of 19 are allowed inside. Enclosed cannabis stores can use sensory display items (or smell jars) and discuss product information with customers.

The proposed location of the cannabis store is 1501 Federal Road, the proposed hours of operations for the store are 11:00am to 10:00pm daily, except for holidays. We want to hear your views on opening a cannabis store in Iqaluit. Please send your comments or concerns to cannabis@gov.nu.ca. You can also contact the Department of Finance at 867-975-5875. Consultation feedback can be accepted for the next 60 days, until August 20, 2020.

The Minister of Finance will consider all consultation feedback when deciding on this cannabis store licence application.

Thank you.
