All students must re-apply for FANS funding each new academic year. The FANS deadlines are:

- **Fall start date:** July 15th
- **Winter start date:** November 15th
- **Spring/Summer start date:** March 1st
- **Non-traditional start date:** 6 weeks before the program start date
THINKING OF GOING TO SCHOOL?

Things to consider:
- Apply for FANS funding as soon as you can. You don’t need to be accepted into a school to apply, you can always cancel your FANS application if you need to. Late applications will be accepted up to 30 days after the deadline, but will not be processed until after all on-time applications are completed. No applications will be accepted after the 30 days grace period.
- Carefully consider how you will budget your money
- Gather information on how much your tuition, books, housing, bus passes/transportation etc. might cost and put together a budget of what your total needs are and compare it to what FANS can cover. This will give you an idea of how much you will need to save in order to cover all your needs for the year.

Please remember that this program is not intended to cover all of the costs of your education.

ELIGIBILITY:
- Be a Canadian citizen or have permanent resident status
- Be a Nunavut resident (living in Nunavut for at least 12 months before applying to FANS)
- Enroll in a program that is at least 12 weeks in length at a designated post-secondary institution
- Be a full-time student (at least 60% of a full course load as defined by the institution you are attending)
- Be working on a degree, diploma or certificate

Money is easy to spend and hard to pay back. Carefully consider how you will budget your money. Make sure you look at all your financial resources/options to make sure you have enough money to cover all your costs.
