The Government of Nunavut was selected as one of Canada's Best Diversity Employers. Top Employers for Young People and recent graduates in 2023. With one of the fastest growing and youngest populations in Canada, Nunavut is a dynamic, vibrant territory, committed to becoming an even better place for future generations. As a government, we are strengthening our unique model of governance - one that integrates Inuit societal values, promotes use of the Inuktut language, achieves a representative public service, and collaborates with partners to achieve the promise of Nunavut. Successful applicants will enjoy a competitive salary, medical and dental benefits, a defined benefit pension plan, relocation privileges and opportunities for training and career advancement.

The Public Health Nurse (PHN) provides a full continuum of public health services to individuals in the community in accordance with the public health program standards set by the Chief Medical Officer of Health (CMOH). The position exists to protect, restore and promote health and reduce the incidence of disease and disability through health promotion, health protection and disease/injury prevention activities.

The PHN practices within the context of the Departments Model of Care and, is responsible for the public health programs as determined by the needs of the community with a focus on maternal child health, school health, communicable diseases and immunizations. The PHN works with others in the community on a range of public health issues as determined by community priorities to empower Nunavummiut to live healthy lives..

The knowledge, skills, and abilities required for this job are usually obtained through an Bachelor Degree of Nursing, or Diploma in Nursing with Certificate in Public Health, plus a minimum of two years public health nursing experience or related is required. Candidates must be eligible to register with CANNN. The following experience and certifications are considered assets: Experience working in remote and isolated communities; Public Health Agency of Canada (PHAC) Skills Online courses; Canadian Nurse Association (CAN) and Canadian Health Nurses of Canada (CHNC) certification.

This is a Highly Sensitive Position and a satisfactory Criminal Record Check, along with a clear Vulnerable Sector Check is required.

Please note that COVID-19 vaccination is a mandatory condition of employment. Submit proof of COVID-19 vaccination with your application. Travelers are responsible to determine what applies to you based on your Territorial / Provincial requirements.

If you are interested in applying for this job, please email your cover letter and resume to nunavutnurses@gov.nu.ca. Please include the REFERENCE # in the subject line of your email.

- The Government of Nunavut is committed to creating a representative workforce; therefore, priority will be given to Nunavut Inuit who self-identify as being enrolled under the Nunavut Agreement in accordance with the Priority Hiring Policy.
- Government of Nunavut employees serving a probationary period must obtain and provide written authorization from the deputy head of their employing department. The authorization from the deputy head must accompany your application for your application to be considered.
- Possession of a criminal record may not disqualify candidates from being considered. An assessment of the criminal record will be measured against the scope and duties of the position. This is only a requirement for positions that require a satisfactory criminal record or vulnerable sector check.
- Applicants may submit their resume in any of the Official Languages of Nunavut.
- Only those candidates selected for an interview will be contacted.
- The onus is on candidates in receipt of foreign post-secondary education credentials to have their foreign credentials assessed through a recognized Canadian education institution. Failure to do so may result in the rejection of their application.
