The Government of Nunavut was selected as one of Canada's Best Diversity Employers, Top Employers for Young People and recent graduates in 2022. With one of the fastest growing and youngest populations in Canada, Nunavut is a dynamic, vibrant territory, committed to becoming an even better place for future generations. As a government, we are strengthening our unique model of governance - one that integrates Inuit societal values, promotes use of the Inuktut language, achieves a representative public service, and collaborates with partners to achieve the promise of Nunavut. Successful applicants will enjoy a competitive salary, medical and dental benefits, a defined benefit pension plan, relocation privileges and opportunities for training and career advancement.

Reporting to the Director Clinical Services, the Nurse Manager Inpatient Services (Nurse Manager) provides program oversight and expertise by coordinating, planning, developing, implementing, and evaluating all Inpatient Care Unit programming.

The Nurse Manager Inpatient Services is a member of the inpatient care services team that coordinates and manages a multidisciplinary inpatient care team; nurses, registered respiratory therapy services, and support services on the inpatient unit at the Qikiqtani General Hospital (QGH) which will involve coordination of expertise, client care and clinical practice across Iqaluit Health Services (IHS), within the Department of Health, and in collaboration with external stakeholders as required.

The Nurse Manager, Inpatient Services provides leadership, direction, coordination, and support to QGH the inpatient care services program areas which includes adult and pediatric clients care for: acute care, medical surgical care, continuing care, mental health, obstetrics, palliative care, and discharge planning. The incumbent ensures that all program activities are performed in a manner consistent with the goals, mandates, policies, procedures, guidelines, and protocols (PPGPs) of IHS and the GN Department of Health, as well as professional guidelines and Accreditation Canada standards.

The knowledge, skills, and abilities required for this job are usually obtained through an undergraduate degree or diploma in Nursing, plus Five years clinical experience as an RN in Inpatient services with one year supervisory and management experience, must be eligible for registration with the CANNN. The incumbent must attend/successfully complete the Neonatal Resuscitation Program, Pediatric Advanced Life Support (PALS), Advanced Cardiac Life Support

If you are interested in applying for this job, please email your cover letter and resume to <a href="mailto:nunavutnurses@gov.nu.ca">nunavutnurses@gov.nu.ca</a>. Please include the REFERENCE # in the subject line of your email.

- The Government of Nunavut is committed to creating a representative workforce; therefore, priority will be given to Nunavut Inuit
  who self-identify as being enrolled under the Nunavut Agreement in accordance with the Priority Hiring Policy.
- Government of Nunavut employees serving a probationary period must obtain and provide written authorization from the deputy head of their employing department. The authorization from the deputy head must accompany your application for your application to be considered.
- Possession of a criminal record may not disqualify candidates from being considered. An assessment of the criminal record will
  be measured against the scope and duties of the position. This is only a requirement for positions that require a satisfactory
  criminal record or vulnerable sector check.
- Applicants may submit their resume in any of the Official Languages of Nunavut.
- Only those candidates selected for an interview will be contacted.
- The onus is on candidates in receipt of foreign post-secondary education credentials to have their foreign credentials assessed through a recognized Canadian education institution. Failure to do so may result in the rejection of their application.
