## Celebrate Small Business Week

**Start Date:** October 24, 2019

**End Date:** October 28, 2019

**Nunavut-wide**

**45 sec**

It's National Small Business Week and the Department of Economic Development and Transportation congratulates all small businesses in Nunavut for their contributions to the territory's economic growth.

The department invests in small businesses and promotes entrepreneurship through several programs. The Small Business Support Program provides three types of funds for up-and-coming businesses, community organizations and individuals:

- Small Business Opportunities Fund;
- Entrepreneur Development Fund; and the
- Sustainable Livelihood Fund.

The Community, Tourism and Cultural Industries Program strengthens community infrastructure and readiness for tourism, and enhances economic development in sectors such as music, digital media, writing and performing arts.
