Family Practice relocates to Qikiqtani General Hospital

Start Date: September 18, 2017 End Date: September 30, 2017

Iqaluit, NU 30 sec

Did you know Family Practice has relocated to the clinics' wing of Qikiqtani General Hospital (QGH)? Family Practice was formerly located in Building 1091 where it shared space with Iqaluit Public Health.

Family Practice clients can make appointments in person, at QGH, or by calling 867-975-8600, and follow the prompts. All clients with Family Practice appointments should appear in person in the clinics' side of the East Wing.

Public Health Services will remain at building 1091.
