Start Date: July 18, 2019 End Date: July 31, 2019

Nunavut-wide 30 sec

The Government of Nunavut and the Nunavut Liquor and Cannabis Commission (NULC) reminds Nunavummiut they may only buy cannabis legally from licensed agents of the NULC.

The NULC has worked with its agents to expand the selection of products available for sale. Effective July 2019, the NULC has also reduced its retail mark-up on cannabis products to \$1/gram. Agents provide the complete list of their products and prices at www.verticalcannabis.ca and http://www.tweed.com

The Government of Nunavut and the NULC also remind Nunavummiut that edible cannabis products are not yet legal for sale in Canada and that only agents of NULC are allowed to send cannabis through mail in Nunavut.
