

## Public Health Advisory Boil Water Advisory – Arviat

September 9, 2019 Arviat, NU

The Department of Health is issuing a boil water advisory for the Hamlet of Arviat.

This is a precautionary measure due to unsatisfactory test results.

During a boil water advisory, all water for consumption must be brought to a rolling boil for a **minimum** of one full minute.

It is essential that all water be boiled for the following uses:

- drinking;
- preparing infant formulas;
- preparing juices and ice cubes;
- washing fruits and vegetables;
- · cooking; or
- brushing of teeth.

Water can be boiled either in a pot or kettle on a stove or an electric kettle without an automatic shut-off.

It is not necessary to boil water used for anything other than the above list.
