Technical and Professional Scholarships

Start Date: February 17, 2020 End Date: February 21, 2020

Nunavut-wide 30 sec

Every year, the Department of Community and Government Services offers technical and professional scholarships for Nunavummiut studying in the fields of engineering, informatics, community planning and business studies, as well as those studying firefighting, fire prevention and land administration as part of a college program.

Successful applicants can receive up to \$5000 under this scholarship program, depending on their year of study. Interested Nunavummiut can apply to benefit from this program by submitting an application by Friday, February 21, 2020.

Information on how to apply and application forms can be obtained by calling 867-975-5400 or emailing cgsstaffingrequest@gov.nu.ca.
