Public Service Announcement

Fuel price increases effective December 4, 2022

Start Date: December 1, 2022

End Date: December 4, 2022

Nunavut-wide

20 sec

Effective Sunday, December 4, 2022, retail fuel prices will increase throughout Nunavut.

The price of all diesel products, gasoline, and jet fuel will increase by 20 cents per litre, plus applicable taxes.

An updated fuel price list is attached. These increases reflect rising costs on world crude oil markets.

Nunavut remains one of the lowest cost jurisdictions in Canada for fuel products.
