 - k. Persons entering Nunavut for the purposes of engaging in wilderness tourism.
6. All persons seeking to travel to Nunavut, including Nunavut residents, must advise the Office of the Chief Public Health Officer if they have been outside of Canada at any time during the fourteen (14) days prior to their anticipated travel to Nunavut, and demonstrate proof of compliance with any applicable quarantine and isolation orders issued under the *Quarantine Act*.
 7. Persons entering Nunavut from outside Canada must enter at the Iqaluit International Airport or to fixed or designated Ports of Entry.
 8. Upon entering Nunavut, persons listed in paragraph 7 must report to the Office of the Chief Public Health Officer within one (1) hour of arrival and shall not leave the airport premises or Port of Entry until directed by the Chief Public Health Officer.
 9. Flights originating within or outside Canada may make technical stops and diversions for weather or mechanical reasons at the Iqaluit International Airport (CYFB), subject to the following time restrictions:
 - a. Technical stops shall not exceed ninety (90) minutes, unless further delayed due to weather or mechanical issues;
 - b. Diversions shall not exceed ninety (90) minutes unless it is unsafe for the aircraft to depart; and
 - c. No combination of a technical stop and diversion shall exceed three (3) hours unless it is unsafe for the aircraft to depart.
 10. The flight crew and all passengers must remain on the airport premises during a technical stop or diversion as set out in section 9.
 11. If a technical stop or diversion, or a combination of the two exceeds three (3) hours, the flight crew must contact the Chief Public Health Officer for further instructions.

12. Flight crew and passengers shall not leave the airport premises without authorization from the Chief Public Health Officer.
13. Persons travelling on flights to Nunavut which must land at an airport outside Nunavut for a station stop, technical stop, or a diversion due to weather or an emergency may continue travelling to Nunavut subject to the following time restrictions:
 - a. Technical stops shall not exceed ninety (90) minutes, unless further delayed due to weather or mechanical issues;
 - b. Diversions shall not exceed ninety (90) minutes unless it is unsafe for the aircraft to depart; and
 - c. No combination of a technical stop and diversion shall exceed three (3) hours unless it is unsafe for the aircraft to depart.
14. If a station stop, technical stop, or diversion in paragraph 13 exceeds three (3) hours, the flight must return to its departure point or to another destination outside Nunavut if it is safe to do so unless authorized by the Chief Public Health Officer. For greater certainty, the flight must report to the Chief Public Health Officer for instructions if its time at the airport, including planned and unplanned stops, exceeds three (3) hours.

Part 2: Travel Within Common Travel Areas

15. Pursuant to subsection 41 (1) (e) of the Act, the following Common Travel Areas are established:
 - a. The Nunavut and Nunavik Common Travel Area, consisting of all parts of Canada within the territorial boundaries of Nunavut as set out in the *Nunavut Act* and the Nunavik Region of Quebec under the jurisdiction of the Kativik Regional Government established in the *Act respecting Northern villages and the Kativik Regional Government*, CQLR c V-6.1.
16. All persons may travel throughout a Common Travel Area, where:
 - a. They have not been physically present outside the Common Travel Area in the fourteen (14) days prior to travel;

- b. They have completed any mandatory self-isolation protocol required by an order of the Chief Public Health Officer or equivalent authority having jurisdiction, or are exempt from self-isolation; and
 - c. They stay within the Common Travel Area for the duration of travel.
- 17. Persons seeking to travel to Nunavut from another jurisdiction in the Common Travel Area must contact the Office of the Chief Public Health Officer and provide:
 - a. Contact information, such as an address and phone number, at the person's regular place of residence;
 - b. Contact information, such as an address and phone number where the person can be reached while in Nunavut; and
 - c. A written declaration containing the information set out in Appendix "A" to this Order.
- 18. Persons must produce proof of authorization to travel from the Office of the Chief Public Health Officer prior to travelling to Nunavut, except where persons are exempt from this requirement pursuant to paragraphs 21 and 22.
- 19. All persons seeking to travel from Nunavut to another jurisdiction within the Common Travel Area must comply with any applicable Orders issued by the Chief Public Health Officer or equivalent authority in that jurisdiction in the same manner as a resident of that jurisdiction.
- 20. All persons who leave a Common Travel Area are subject to the isolation requirements set out in Part 4 of this Order unless they are Fully Vaccinated and qualify for an exemption in Part 3.
- 21. Persons travelling on scheduled flights between the Kitikmeot Region and any other part of Nunavut containing a stopover or change of aircraft in Yellowknife, Northwest Territories are exempt from the requirements in paragraphs 17 and 18.
- 22. Persons travelling on scheduled flights between the Belcher Islands and any other part of Nunavut containing a station stop, technical stop, or diversion in Nunavik are exempt from the requirements in paragraphs 17 and 18.

Part 3: Fully Vaccinated Travellers

23. Persons who are Fully Vaccinated may apply to the Office of the Chief Public Health Officer for an exemption from the fourteen (14) day isolation period set out in Part 4. The exemption application must include a written declaration including the information set out in Appendix “B” to this Order.
24. The Chief Public Health Officer shall issue certificates of authorization exempting Fully Vaccinated persons from the isolation requirements set out in Part 4 for all persons who comply with the requirements in paragraph 23.
25. A certificate of authorization is valid for one (1) year from the approval date. Persons holding certificates of authorization do not need to re-apply for authorization to enter Nunavut while their certificate is valid.
26. The Chief Public Health Officer shall revoke an individual’s certificate of authorization where:
- a. A designated person within the Department of Health advises the individual, either orally or in writing, that the Department of Health is unable to verify that the individual is Fully Vaccinated;
 - b. The individual revokes their consent set out in the declaration in Appendix “B”; or
 - c. The individual does not provide an official record of each of their COVID-19 vaccinations or a suitable alternative such as a statutory declaration or certified extract from the individual’s medical records.
27. If the Chief Public Health Officer revokes an individual’s certificate of authorization, the individual shall immediately self-isolate in accordance with *Mandatory Self-Isolation Order (#5)* or any subsequent order respecting self-isolation.

Part 4: Mandatory Isolation

28. All persons who are not Fully Vaccinated must complete a minimum fourteen-day (14) isolation period.
29. Children under age 12 travelling with a Fully Vaccinated parent or guardian may complete this isolation period by self-isolating at their residence or other

approved location for the fourteen (14) days commencing on the day of their arrival in Nunavut.

30. Parents or guardians must submit the application in Appendix “C” to the Office of the Chief Public Health Officer:

- a. One person in a household may apply on behalf of the entire household.
- b. The application must list all children under age 12 who will be self-isolating.
- c. The application must include the proposed location of self-isolation.
- d. The parents or guardians must agree to ensure that the children in their care follow the self-isolation restrictions.
- e. The Director of Child and Family Services or a designate appointed pursuant to the *Child and Family Services Act* may submit an application on behalf of children in the care of the Director.

31. The Office of the Chief Public Health Officer shall issue certificates of authorization to all persons who submit an approved self-isolation plan. This certificate constitutes:

- a. Authorization to travel to Nunavut; and
- b. A direction to self-isolate in accordance with *Mandatory Self-Isolation Order* (#5) or any subsequent order respecting self-isolation.

32. Persons travelling on flights requiring an overnight stop or extended delay in a community that is not their final destination due to weather or mechanical reasons must:

- a. Travel directly from the airport to their place of overnight accommodations.
- b. Remain at their overnight accommodations until it is time to return to the airport.
- c. Wear a non-medical mask or face covering; and
- d. Do not visit with any resident of the community during the overnight stop.

33. All persons who are not: Fully Vaccinated; children under age 12 travelling with an approved Self-Isolation Plan; or Exempt as an Emergency Service Provider or Essential Worker must complete a minimum fourteen-day (14) isolation period, either voluntarily or subject to an order by an official having jurisdiction, at a place designated by the Chief Public Health Officer prior to travelling to Nunavut.
34. The isolation period in paragraph 33 may be extended to accommodate air carrier schedules and flight cancellations. This extension period shall not exceed six (6) days.
35. Upon completion of the isolation period, the Chief Public Health Officer will issue these persons a clearance letter authorizing them to return to Nunavut.

Part 5: Emergency Service Providers and Essential Workers

36. Emergency Service Providers and Essential Workers who are not Fully Vaccinated may apply to the Office of the Chief Public Health Officer for an exemption from the mandatory isolation set out in Part 4.
37. In addition to Emergency Service Providers and Essential Workers, the following officials who are not Fully Vaccinated are entitled to an exemption from the mandatory isolation set out in Part 4 when travelling on official business:
- a. The Commissioners of Nunavut and the Northwest Territories.
 - b. The Members of Parliament and Senators representing Nunavut, the Northwest Territories, and Nunavik.
 - c. The Members of the Legislative Assembly of Nunavut, the Legislative Assembly of the Northwest Territories, and the National Assembly of Quebec.
38. For greater certainty, the officials listed in paragraph 37 must apply to enter Nunavut as a Fully Vaccinated Traveller in Part 3 or complete mandatory isolation as set out in Part 4 when they are not travelling on official business.
39. The Office of the Chief Public Health Officer shall issue certificates of authorization to all exempt persons. This certificate constitutes:
- a. Authorization to travel to Nunavut; and

- b. A direction to self-isolate in accordance with *Mandatory Self-Isolation Order* (#5) or any subsequent order respecting self-isolation.

Part 6: Travel to and from Mine Sites

40. In this part, “mine site” means any operating mine where the owners or operators have implemented a return to work protocol approved by the Office of the Chief Public Health Officer; and

41. Travel from any community in Nunavut to mine sites is restricted to:

- a. Mine employees and contractors;
- b. Inspectors and officials appointed pursuant to the laws of Nunavut or Canada;
- c. Representatives or agents of institutions of public government established pursuant to the *Nunavut Agreement*, including but not limited to the Nunavut Impact Review Board;
- d. Law enforcement officers operating in the course of their duties;
- e. Health care service providers; and
- f. Air and marine carriers delivering passengers or goods to the mine.

42. Persons listed in paragraph 41 may travel from a mine site to any community in Nunavut if there is no community transmission at the mine site.

43. If the Chief Public Health Officer confirms that there is community transmission at the mine site, Nunavut residents must:

- a. obtain a certificate of authorization from the Office of the Chief Public Health Officer before leaving the mine site; and
- b. self-isolate in accordance with *Mandatory Self-Isolation Order* (#5) or any subsequent order respecting self-isolation upon their arrival in their destination community.

44. Non-residents must travel directly to and from the mine site in the manner prescribed in paragraph 5 (e).

45. Mine operators shall submit contact tracing information to the Office of the Chief Public Health Officer within twenty-four (24) hours of the end of each work rotation.
46. Nothing in this Part restricts Nunavut Inuit from exercising their rights set out in the *Nunavut Agreement*, including but not limited to the right to harvest set out in Article 5 and the right of Designated Inuit Organizations to restrict entry and access to Inuit Owned Lands in Article 21 of the Agreement.

Part 7: Wilderness Tourism

47. In this Part, “Operator”, “Wilderness Tourism”, and “Wilderness Tourism Accommodation” have the same meanings as set out in the *Tourism Act*.
48. Operators with a Wilderness Tourism Operator COVID-19 Operations Plan that has been approved by the Office of the Chief Public Health Officer may open to Nunavut residents and non-residents.
49. Persons listed in paragraph 5 (k) of this Order who are not Fully Vaccinated are exempt from the isolation requirements in Part 4 provided:
- a. They travel directly to the Wilderness Tourism Accommodation from a destination outside Nunavut without a station stop, technical stop, or diversion in any community other than Iqaluit, Rankin Inlet, or Cambridge Bay while in transit.
 - b. They comply with any applicable obligations in the Operator’s Wilderness Tourism Operator COVID-19 Operations Plan.
 - c. Upon arrival at the Wilderness Tourism Accommodation, not entering any community or other populated area of Nunavut for fourteen (14) days after their entry into Nunavut, except:
 - i. Residents and non-residents may leave Nunavut at the end of their stay if earlier than fourteen (14) days from their entry to Nunavut provided they leave Nunavut without a station stop, technical stop, or diversion in any community other than Iqaluit, Rankin Inlet, or Cambridge Bay; and
 - ii. Nunavut residents may enter Iqaluit, Rankin Inlet, or Cambridge Bay, or any other community as directed by a Medical Health

Officer, to self-isolate in accordance with *Mandatory Self-Isolation Order* (#5) or any subsequent Order respecting self-isolation.

- d. They self-monitor and immediately self-isolate away from other persons and contact the Office of the Chief Public Health Officer if they exhibit any symptoms of COVID-19.

50. Persons listed in paragraph 5 (k) of this Order who are Fully Vaccinated may apply for an exemption in accordance with Part 3 of this Order prior to travelling to Nunavut. Exempted travellers may travel to any community in Nunavut at the conclusion of their wilderness tourism activity, except where the Chief Public Health Officer has confirmed community transmission.

51. If the Chief Public Health Officer confirms that there is community transmission at the wilderness tourism accommodation, Nunavut residents intending to travel to a community in Nunavut must:

- a. obtain a certificate of authorization from the Office of the Chief Public Health Officer before leaving the wilderness tourism accommodation; and
- b. self-isolate in accordance with *Mandatory Self-Isolation Order* (#5) or any subsequent order respecting self-isolation upon their arrival in their destination community.

52. Non-residents must leave Nunavut without a station stop, technical stop, or diversion in any community other than Iqaluit, Rankin Inlet, or Cambridge Bay, except as diverted due to weather or mechanical issues.

53. Operators shall submit contact tracing information to the Office of the Chief Public Health Officer within twenty-four (24) hours of the departure of each group.

54. Failure to comply with an approved Operator's Wilderness Tourism Operator COVID-19 Operations Plan constitutes a breach of this Order.

Part 8: Transitional and Enforcement

55. Nothing in this Order shall affect parents from exercising their parental responsibilities with their children, including any custody, access or parenting time rights or responsibilities, except:
- a. As ordered by a court of competent jurisdiction; or
 - b. Where parent or the child is subject to a mandatory isolation order.
56. The Chief Public Health Officer may authorize Fully Vaccinated parents and their children under age 12 who are present at an isolation facility upon the effective date of this order to leave the isolation facility and complete the remaining portion of their isolation at their residence. Parents seeking authorization for an early departure from the isolation facility must submit an application in Appendix “C”.
57. Pursuant to subsection 41(1)(f) of the *Public Health Act*, members of the Royal Canadian Mounted Police, municipal by-law enforcement officers, sheriffs appointed pursuant to the *Judicature Act*, the Chief Environmental Protection Officer and Inspectors appointed pursuant to the *Environmental Protection Act*, and Conservation Officers appointed pursuant to the *Wildlife Act* are authorized to implement this order, including entering any premises other than a dwelling without a warrant.
58. Pursuant to subsection 41 (1) (f) of the *Public Health Act*, the Chief Tourism Officer and Tourism Officers appointed pursuant to the *Tourism Act* are authorized to implement Part 7 of this Order, including entering any wilderness tourism accommodation or premises other than a dwelling without a warrant.
59. Pursuant to subsection 41(4) of the *Public Health Act*, the peace officers listed in paragraph 57 may not enter a dwelling without a warrant unless the occupant or person in charge of the dwelling consents.
60. Failure to comply with this Order may be considered a breach of this Order issued under the *Public Health Act* and may result in penalties under the Act, which may include:
- a. A \$575 fine for individuals; and

- b. A \$2875 fine for corporations.
61. Providing false or misleading statements to the Chief Public Health Officer for the purposes of entering Nunavut or circumventing mandatory isolation constitutes a breach of this Order.
62. The Chief Public Health Officer may contact the office of the Chief Public Health Officer or Chief Medical Officer of Health of any province or territory in Canada to confirm compliance with Part 3 of this Order.

This order is effective at 12:01 pm Eastern Daylight Time (UTC-4:00) September 17, 2021 and remains in effect for the duration of the Public Health Emergency, unless otherwise rescinded.

Chief Public Health Officer

Appendix “A”

Common Travel Area Traveller’s Declaration

Background

1. The Chief Public Health Officer of Nunavut, in partnership with the Chief Public Health Officers of the Northwest Territories and Manitoba has established three Common Travel Areas:
 - a. The Nunavut and Nunavik Common Travel Area
2. This allows unrestricted travel within the Common Travel Area for anyone who has not travelled outside the Common Travel Area in the fourteen (14) days prior to travel and who have completed any mandatory self-isolation ordered by the Office of the Chief Public Health Officer or equivalent.
3. Travellers who do not leave a Common Travel Area do not have to isolate prior to their return home.
4. If you leave a Common Travel Area at any time you will have to isolate at a designated facility prior to returning home.
5. All Travellers intending to travel to Nunavut must complete this declaration and submit it to CPHOTravelrequests@gov.nu.ca in order to receive a letter of authorization permitting travel and present it to the air carrier upon check-in for verification.
6. Travellers on flights to or from the Kitikmeot Region to any other part of Nunavut containing a stopover or change of aircraft in Yellowknife do not have to complete this Declaration.
7. A parent or guardian may complete the declaration on behalf of their minor children.
8. Making a false declaration is a breach of the Travel Restriction Order.

Declaration of Vaccinated Traveller

I intend to travel to _____, Nunavut
(community) on (date).

I am fully vaccinated. I understand that I am only fully vaccinated two weeks after the final dose of Health Canada approved COVID-19 vaccine.

1. I understand I may be asked to provide proof of vaccination during my travels (i.e., your vaccine card).
2. I understand that making a false declaration is a breach of the Travel Restriction Order and I could be fined \$575.
3. I understand that I may be asked to isolate upon my return to Nunavut. These reasons may include:
 - a. I am waiting for a COVID-19 test result;
 - b. I am a contact of someone diagnosed with COVID-19; or
 - c. I have been diagnosed with COVID-19.
 - d. Perhaps also add: I develop symptoms of COVID-19 (and then list symptoms)
4. I understand that if I am isolating for any of these other reasons, I follow the instructions given to me by the Department of Health.
5. I understand that I must wear a mask for 14 days upon arrival in Nunavut, regardless of current public health measures in my destination community or my transiting and layover communities.
6. I understand that my dependents (if any) travelling with me require a 14 day isolation in territory starting the day of their arrival in Nunavut and that I am responsible for their isolation.

Consent (you must consent to all)

- I consent to verification of my vaccination status by the Department of Health using the information provided **above**.
- I agree to provide any further information needed to confirm my vaccination status, including

my health care insurance plan number to the Government of Nunavut upon request.

- I consent to disclosure of this declaration to compliance and enforcement officials for the purpose of enforcing orders made under the Public Health Act. This includes my name, address, phone number and email (if applicable).
- I agree that if I withdraw my consent to verification or if I am informed by the Government of Nunavut that my vaccination status was not confirmed, I will isolate as instructed by an official of the Government of Nunavut.
- I consent to the collection of the Contact Tracing Information set out below.
- For vaccinated residents travelling with non-vaccinated dependents only: I consent to the isolation rules for my dependents, and I take responsibility for any breach of isolation.

I make this declaration on (DD-MM-YYYY) at (community).
